SAFETY ALERT SAFETY ALERT

Explosives Safety

MODIFYING AMMUNITION IS UNAUTHORIZED & UNSAFE AND COULD RESULT IN DEATH

Never tamper with, disassemble or alter AMMO or Explosives. TB 43-250

If you suspect ammunition has unauthorized modifications or is damaged, contact your nearest Quality Assurance Specialist for Ammunition Surveillance (QASAS). They will inspect Ammo and, if necessary, help you return it to the nearest Ammunition Supply Point (ASP) or contact EOD.

To find the nearest QASAS call 312-864-5769 or 318-481-4474.
