

## Key Electromagnetic Spectrum Considerations for Acquisition Professionals CD Request Form

This training CD-ROM is intended for the acquisition community and provides information on established DoD policies and procedures that must be followed to minimize Electromagnetic Interference (EMI) and obtain spectrum certification of spectrum-dependent equipment. This CD-ROM is distributed by request, and at no cost, to U.S. military, government civilian, and contractor personnel involved in DoD Acquisition. To request a copy of the CD-ROM, submit the following form. Feel free to include any questions or concerns you might have. Thank you.
