

# Education and Training Update

Presented to the Data Management Panel  
39<sup>th</sup> Annual GEIA Technical Conference  
19-23 September 2005  
Atlanta, GA

# How We Began

- Parallel pathways
  - Industry
  - Government
- Technical conferences and symposia
- Standardizing processes through standards
- Reaching out to associated disciplines

# DM Education and Outreach Update

- Continuous learning courses
- Web-based education
- Creating courses through subject matter experts
- The role of continuing education in certifying good data managers and good DM processes
- DAU – it's not just for the USG, anymore!

# Training Activities

- Video for DAU
- Community of Practice
- DAU courseware – two levels
  - Practitioner
  - Manager
- Communication and outreach
  - Conferences
  - Service and Agency briefings
- Standard and handbook

# Education Activities

- Two year program
- Four year program
- Cross boundary exchange initiative
- Post graduate focus area addendum

Your Thoughts?
