Statement of Work

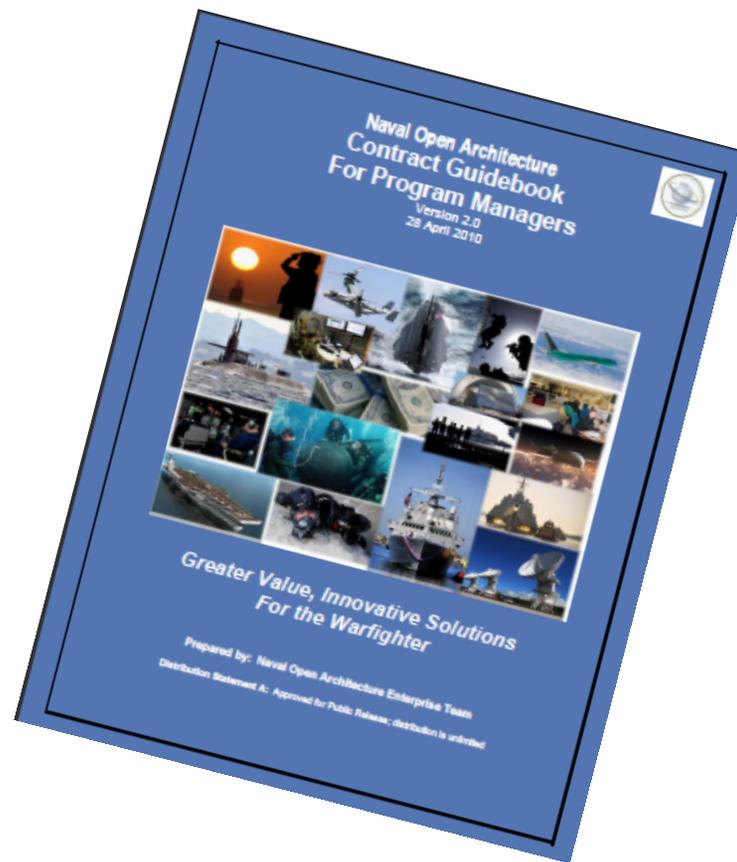

The Statement of Work (SOW) establishes the product/system development expectations—the goal posts of the acquisition.

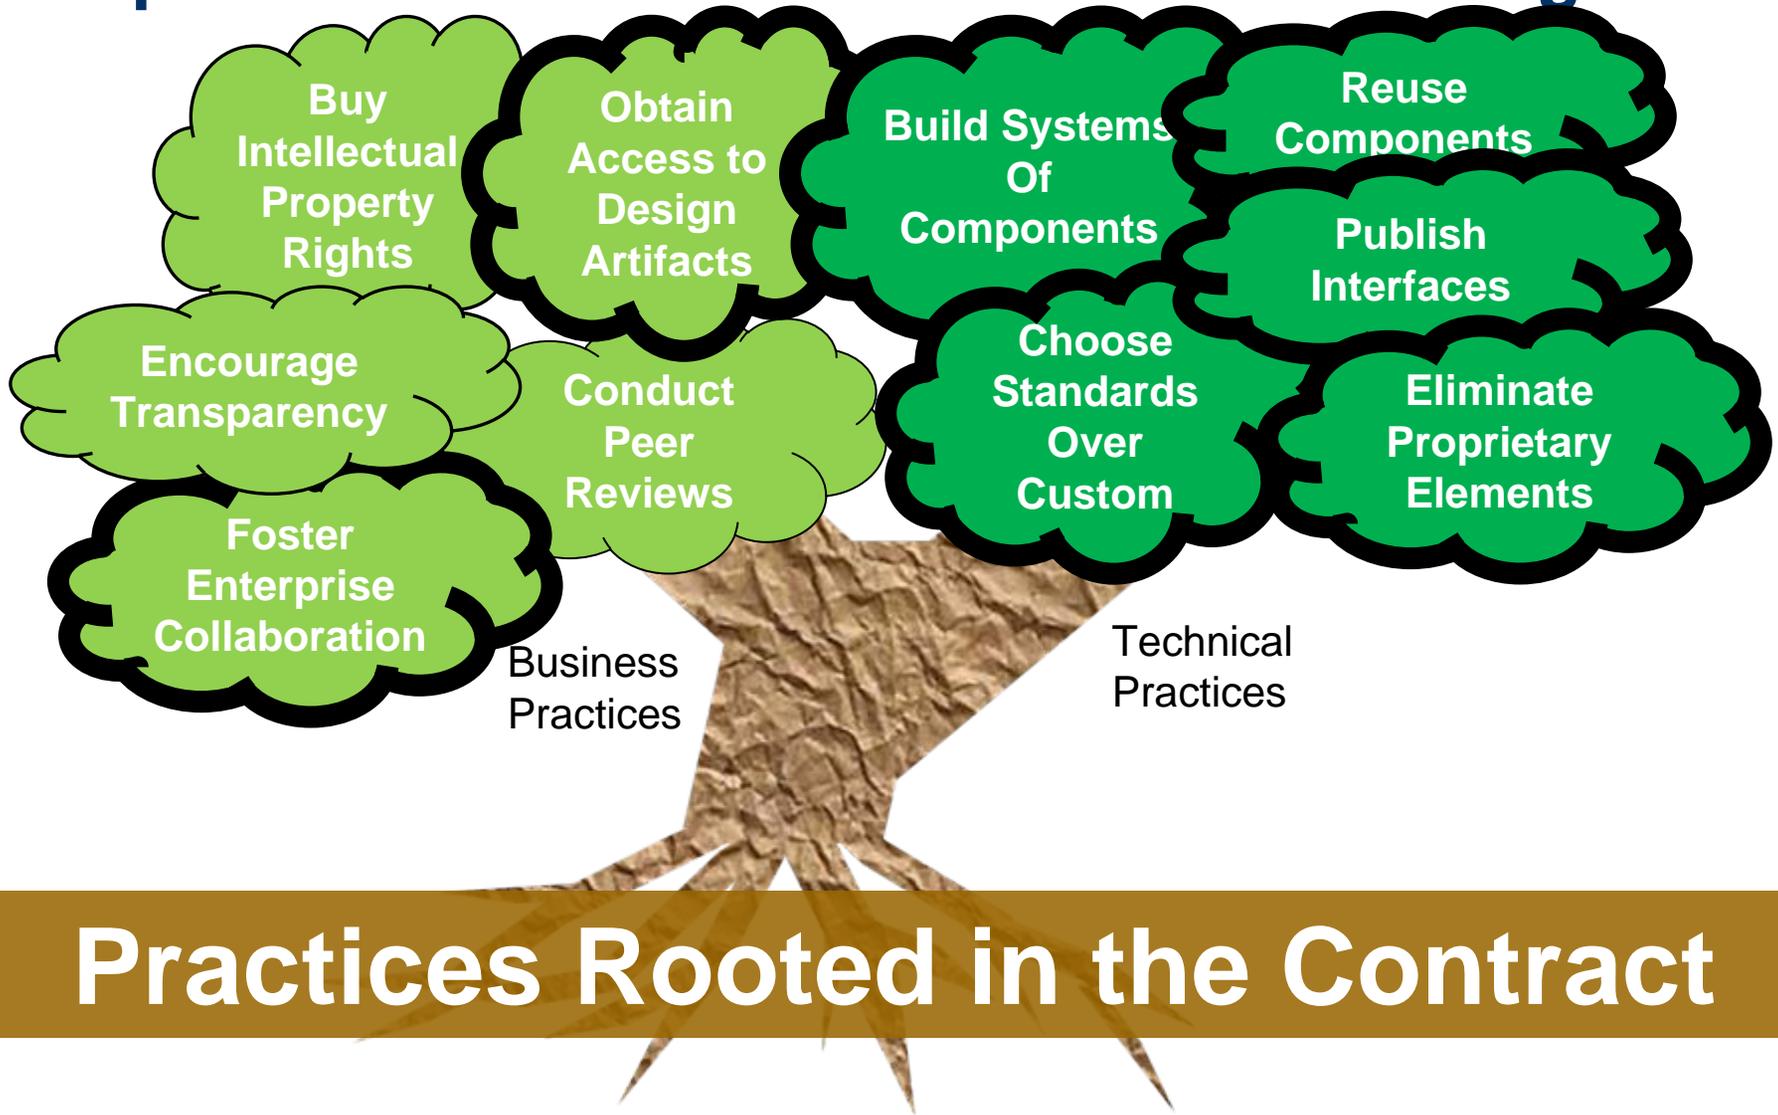

Session Objectives

- Understand OA's place in the Statement of Work

Dependencies between OA and Contracting

Business Principles

Obtain Access
to Design
Artifacts

Foster
Enterprise
Collaboration

Increase
Innovation

Ensure
you get
what you
ask for

Enable
Competition

Technical Principles

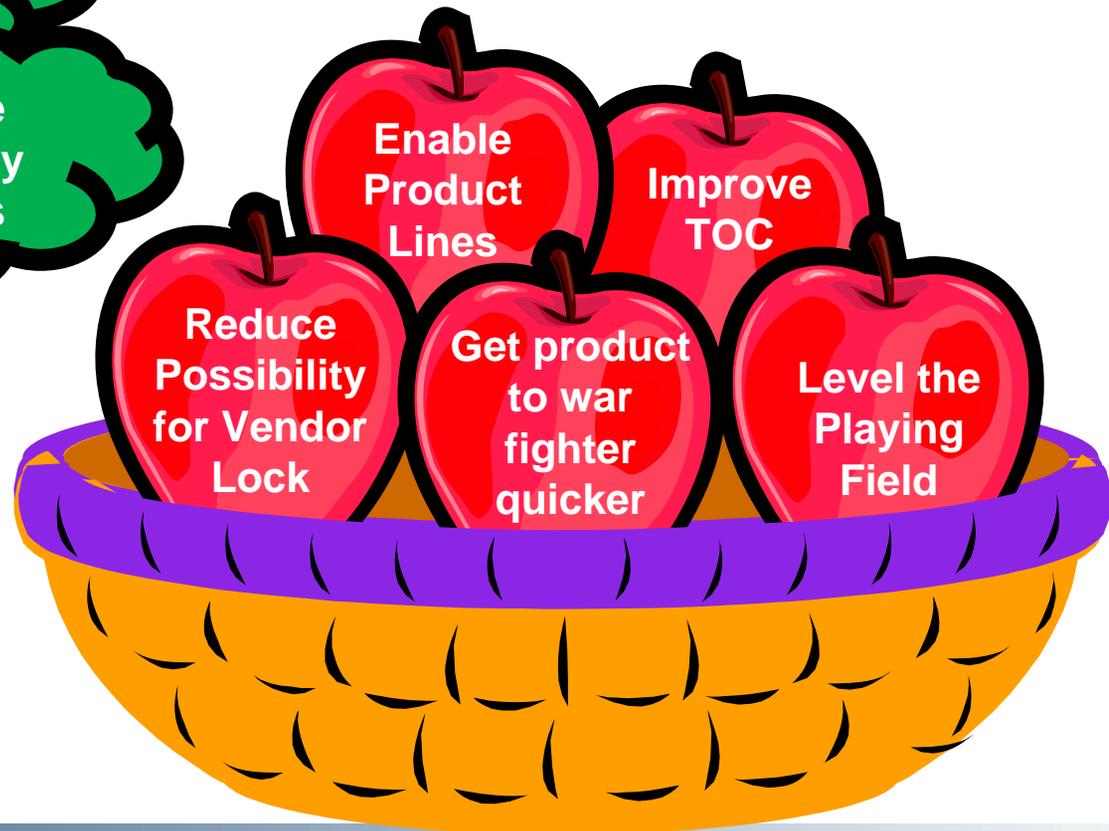

**Build Systems
Of
Components**

**Reuse
Components**

**Publish
Interfaces**

**Choose
Standards
Over
Custom**

**Eliminate
Proprietary
Elements**
