

RQM 110 – Core Concepts for Requirements Management Browse Mode

16 April 2015

- Open the following URL: <https://learn.dau.mil/>
- If there is a Campus Banner, scan it briefly, then click “Close”
- Click the “Login” button (requires CAC)
- Follow any login directions
- On the left side of the next screen, Select: “Browse Distance Learning Courses”
- Use the Topic pull-down menu to Select: “RQM – Requirements Management” and click the “Apply Filters” button to the right
- Select “RQM 110 Core Concepts for Requirements Management”
- At the bottom of the Course Launch screen, select: “If you want to ONLY BROWSE the module, not getting credit, click **HERE**”
- You can then select the individual lessons you wish to review.

Area	Topic	Lesson #
Analysis	Capability Identification, CBA, AoA	10
Acquisition	Overview, Process, Phasing, Milestones	2 and 3
Non-Materiel	DOTLmPF-P Change Recommendation (DCR)	12
JCIDS	Overview	1
Staffing	Document Staffing and Validation	11
JCIDS Documents	Capability and Requirements Documents	11, 12, 14, and 15
Performance Attributes	KPPs, KSAs, APAs, MOEs, MOPs	1, 10, 15, and 16
Resourcing	Cost Estimating, PPBE	6 and 7
Urgent Needs	Urgent Operational Needs	13
Requirements Development	Overview, SE, T&E, Logistics, Analysis	1, 4, 5, 8, and 10

RQM 110 Lessons:

- Lesson 0 – Course Introduction
- Lesson 1 – Overview of Requirements Management
