

Anna Norris

Booz, Allen & Hamilton

As an Associate at Booz, Allen & Hamilton, Ms Norris has over six years of professional experience in IT strategy, system implementation and program management. She has supported and managed numerous efforts in both the public and private sectors focusing on many aspects of the development life cycle that include planning, requirements and design, testing, development, and deployment activities.

Additionally, Ms. Norris has managed implementation of comprehensive migration programs, including several efforts across a large-scale telecommunications company for retail consumer, retail business, long distance and wholesale market segments, and access services.
